

Classic

This 6-8 berth houseboat was built to be lived on. You will be thrilled with the room on board, the storage and the ultimate facilities provided. This houseboat has special pricing for couples, and the master bedroom will delight with its vista windows, split system air conditioning, TV and en suite bathroom.

The main bathroom is also extremely spacious, ideal for those with mobility issues or just for a

good towel off! The dining area is at the front near the helm, so there is plenty of company for the driver. The chefs kitchen is the centrepiece of the houseboat, serving both lounge and dining areas. 3 queen beds, classic lounge area and large rear deck lead to the outdoor delights of this houseboat. Upstairs there is top deck steering, an all weather roof, spa area and dining area with rooftop TV. This houseboat really is a Classic which you will want to return to again and again.
